The Possibilities Are Endless.

It's the reason you purchased your Caravan. After all, it is the perfect blend of precision craftsmanship, refined durability, and infinite mission capabilities. So, whether you are planning a much needed excursion to a secluded, tropical oasis with the family or transporting your board members to an off-site quarterly meeting – the Oasis Interior from Yingling Aviation is the cabin environment you have been waiting for.

Your Search Is Over.

From the unrivaled style and safety standards to the luxurious comfort and hand-crafted appointments, the Oasis Interior is the result of unsurpassed planning and engineering – years in the making. Regardless of the missions you have planned for your Caravan, you and your passengers deserve every luxurious feature, benefit, and increased functionality that only the Oasis Interior from Yingling Aviation can offer.

Recognized by Vref Aircraft Value Reference and Aircraft Bluebook Digest as increasing your aircraft's value – it is a sound investment both now and for resale in the future. And, as the only Cessna-approved interior upgrade for the Caravan, you can experience total confidence and peace-of-mind knowing that Yingling Aviation is the finest interior upgrade source in the industry for your aircraft.

And it keeps getting better. The Oasis interior now offers two seat types for added comfort and customization of your Caravan interior. Select from our Classic Oasis Executive seat or our new VLS seat.

If you are looking for a lightweight option that is easily removable yet durable - the VLS seat option is a perfect choice. However, if your mission calls for a fully-functional seat without the need for removal, the Oasis Executive seat offers signature classic design that maximizes comfort with every flight.

Simply select the seat that best suits your specific needs. Then sit back, relax and enjoy all of the reasons you purchased your Caravan and its perfectly appointed, customized Oasis Interior.
